30-DAY TEST REVEALED

"Not one single case of throat irritation due to smoking Camels!"

Yes, that's what throat specialists reported after making weekly examinations of the throats of hundreds of men and women from coast to coast who smoked Camels, and only Camels, for 30 consecutive days.

According to a Nationwide survey:

More Doctors smoke Camels than any other cigarette

When three leading independent research organizations asked 118,000 doctors what cigarette they smoked, the brand named most was Camel!
