USS Olympia

A photograph of the USS Santa Fe submarine at sea. The submarine is dark grey and is moving through dark blue, choppy water. A large, white wake is visible behind the submarine. The conning tower is visible, with several crew members in orange life jackets on top. The sky is dark, suggesting a sunset or sunrise, with a thin, bright orange glow along the horizon. The text "USS Santa Fe" is overlaid in white in the lower-left quadrant of the image.
